### **WHEN TO USE IT**

The CP&P Form [14-209](#) is used by the adoptive parent to apply for reimbursement for one-time only expenses incurred by the adoptive family who adopted or tried to adopt a special needs child. Up to \$2,000 in expenses may be submitted for reimbursement. Payment of non-recurring expenses is approved by the Assistant Director of the Office of Adoption Operations or his or her designee. The form consists of two parts:

- Part I: The Information Sheet, which provides information on:
  - Who is eligible to apply,
  - The amount of reimbursement and allowable expenses, and
  - The definition of a special needs child.
- Part II: The two page Application, completed by the adoptive parent(s), which itemizes non-recurring expenses.

The Local Office Adoption Worker gives the application and information sheet to the adoptive family during the adoption home study process.

To ensure that eligible families obtain the proper receipts and invoices, discuss the Non-Recurring Adoption Expense Program at the Supervisory Meeting when discussing the subsidy.
